BOSLA Felicitations and Recognitions

Dear BOSLA Members,

Greetings!
Every year, BOSLA upholds the tradition of honouring retired library professionals for their dedicated service to the profession and recognizing Ph.D. awardees for their academic excellence. This year, the committee has decided to felicitate these members during the upcoming BOSLA event.

For honouring retired professionals (members who retired between 31st July 2025, and July 31, 2026), please inform the General Secretary's office (bosla2013@gmail.com) with the names of individuals by August 01, 2026. Include the BOSLA Membership Number, a brief bio-data, significant contributions, and professional accomplishments to assist in citation preparation. Membership details are available on the BOSLA website.

Similarly, members who received their Ph.D. awards between July 31, 2025 to July 31, 2026 can send their details along with a soft copy of their Ph.D. award certificate.

Please use the subject line: "BOSLA Felicitations and Recognitions 2026" for your email.
